

Covid-19 Safety Plan

Bistro Taiyo

- 1) Masks are mandatory before entering and anytime away from the seats. (Recommended for children below Grade3).
- 2) Ensuring physical distancing of 2m at least.
- 3) All guests are required to use hand sanitizer before entering the restaurant.
- 4) Maximum of 18 people in the restaurant include staff.
- 5) The customer need to provide proof of vaccination before entering.
- 6) Parties will be limited to groups of no more than 6.
- 7) Frequent sanitizing of tables, chairs and workplace.
- 8) Declining entry of any guests or staff showing symptoms of covid-19 or experience the following:

- feeling sick

(Examples include a cough, headache, weakness, fever, difficulty breathing, loss of smell or taste, loss of appetite, chills, etc.)

- Travelled or been in contact with someone who's travelled outside Canada in the past 14days.

- Provided care or in close contact to someone with Covid-19 in the last 14days.

Please be mindful that ability to be open at the time at this time hinges on these guide-lines being followed and that failure to comply could result in loss of privileges.

Stay safe and Enjoy!!
